Hi Nathan,

This looks pretty good, but can you tell me what agencies/universities etc. the "Participants at the workshop included several of the species-experts. " were from? I will add these after the word experts.

Thanks, Dave

Hi Nathan,

I would to submit a Gee Whiz to recognize your workshop last week. Could you please add some details to this draft and feel free to correct anything I have written. These are to be about a paragraph.

Thanks, Dave
